Hickory/Fountain Green Baseball

As the Hickory Fountain Green Baseball program enters the 2012 season, we continue to grow and our relationship with local business partners is a big reason. We hope that 2012 will be a positive year for each of you and we are once again asking for your help to keep our program successful. Your sponsorship dollars help hundreds of kids create memories and develop skills that will last a lifetime. HFG Baseball has earned a reputation of fielding successful teams at all levels of play and a tradition of placing the kids first. Many HFG players contribute successfully to our local high school programs including C. Milton Wright, Bel Air and John Carroll.

Some highlights of our program in 2011 -

- Last year we fielded over 600 players on more than 50 teams and 13 fields located at nearby Parks and Rec facilities. Our in house recreation program had a very successful season.
- HFG Baseball was once again represented in Cooperstown, New York by the 12U travel team and in Myrtle Beach, SC by the 10U travel team.
- Our 10U Travel team won the MD Ripken State Championship and the Ripken Mid-Atlantic Championship and represented not only MD but the Mid-Atlantic states at the Cal Ripken World Series in Winchester, Virginia.
- Our 9U Travel team won the MD Ripken State Championship and was a semifinalist at the Ripken Mid-Atlantic Tournament.
- Nine players on the 2010 State Champion C. Milton Wright Baseball team played baseball in the Hickory Fountain Green program.

Keeping in mind that the last few years have brought along tough financial times for many businesses and families we continue to have sponsorship programs to fit into any budget. We will of course accept any level of donation, those that contribute \$150 or more will receive a plaque acknowledging their contribution. All contributors will, if you choose, be acknowledged in our Opening Day Program, Facebook page, and our website - <http://www.hfg-baseball.com/>.

A Sponsorship form and a stamped return envelope are included for your convenience. We are proud that we have so many repeat sponsors of our program and look forward to adding you and your company to that list. On behalf of all the coaches, parents and most of all the players of Hickory Fountain Green Baseball, Thank you!

Bill Weiman

Sponsorship Chair
